

## OVERVIEW

ViewSTATION is a revolutionary yet simplistic approach to replaying all types of analog & digital CCTV video media. Its innovative navigation allows complete access to all levels of users which dramatically reduces the backlog of level 1 CCTV video processing, as police users can now extract backlog of level 1 CCTV video processing, as police users can now extract evidence in a very short period of time. ViewSTATION has been in successful operation for several years at police divisions and custody suites. It has become a vital tool in quickly identifying suspects and immediately producing video evidence.

## COMPACT

The Compact is the latest addition to the to the ViewSTATION range, combining the latest software with a standalone wall mountable or desktop unit.

The ViewSTATION interface has been innovatively designed to allow the user quick and easy processing of the CCTV footage in both analogue and digital formats. This is particularly effective in helping forces meet the shorter processing times required by CJSSS.

duPLIX

## FEATURES

- | Robust light-weight aluminium casing
- | All inclusive portable unit
- | Processes analog & digital CCTV
- | Extremely intuitive interface
- | Accessible to all levels of users
- | Extract and overlay crucial time/date information
- | Batch mode to convert data to standard AVI or DVD formats
- | Print evidence, save to disc or USB or save to a optional database
- | Automatic analog demultiplexing
- | Supports over 500 digital file types
- | Automatic analog demultiplexing
- | Network ready to allow remote upgrading and diagnostics
- | CD / DVD copying

## COMPACT SPECIFICATION

<b>Processor:</b>	Intel Core2 Processor
<b>Memory:</b>	1024 MB Kingston DDR2 RAM
<b>Graphics Card:</b>	Matrox PCIe Graphics Card
<b>Hard Drive:</b>	Seagate 200GB SATA Hard Drive
<b>DVD reading/writing:</b>	Hi-Speed DVDRW Drive
<b>Frame Grabber:</b>	VideoBOX Trimedia Processor
<b>Case:</b>	Bespoke or Ruggedised case with inbuilt Analog monitor
<b>Display:</b>	19" LCD with touch control
<b>Printer:</b>	A4 laser or 5x7 photo supported
